### **Tri-Heart Plus Oral Chewables (6 tablets/6 month supply)**

Prevents Heartworms and reduces intestinal parasites when given monthly

- \$44** Up to 25 lbs       **\$56** 26 - 50 lbs       **\$68** 51 - 100 lbs

\* Heartworm testing within 1 - 2 years recommended, especially if you sometimes forget to give prevention.

*Tri-Heart Plus Oral Chewables and other heartworm preventives only **reduce** the threat of intestinal parasites and do not provide complete de-worming for your pet. A total de-worming treatment is still recommended once a year for complete protection. Ask about **Panacur C**.*
